

Website Donations

It has been the policy of this site administrator to keep this web page free of pop-ups.

That refers to all those annoying advertising screens blocking the view of what you really want to look at, this web site.

However, it does take money to run a web site and this one is no exception. There are two known ways to collect these funds? First one is non pop-up advertising by way of ads or banners on our various pages. The second is through donations.

It is our goal at Great Lakes Metal Detecting to provide you the best and most informative entertainment related to metal detecting & treasure hunting through this medium. To inform our viewers of the latest and up coming events through out the year. To provide a means that viewers may be able to communicate with other detectorist by way of the internet. Also, to be a news service displaying notable events related to this industry as it pertains to our form of recreation.

Therefore, I am asking you to donate what ever you can. \$20, \$10, \$1 or even some of that found clad coins. (No cleaning necessary)

Please mail a check to:
Ross Soderberg
29429 W Nottingham Cir
Warren, MI. 48092

Make the checks out to Ross Soderberg and specify contribution to go to funds for our web site.

We at Great Lakes Metal Detecting thank you for your support.

Thank you,
Site Administrator
Ross Soderberg
